Football Fever: Annual Fall Epidemic

The football season got off to a promising start this year for Heidelberg with the Student Princes championing their first three games. At that point, however, the team proceeded to falter and lost five of the last six. This left Heidelberg with a 4-5 overall season record, the first losing season since 1970.

The major difficulty in the team's performance seems to have been the need for a more stable running game and a less penetrable defense.

Despite the team's letdown, junior quarterback Tim VanGoethem and senior split end Marty Fanning were able to attain goals of individual glory.

VanGoethem, of Trenton, Mich., finished fourth in total offense in final '74 Division III football statistics with an average of 196 yards per game and 13.8 completions.

Fanning, from Carey, Ohio, tied for tenth in receptions with an average of five per game and was also selected to play for the West in this season's Shrine Bowl.

The 74-75 Heidelberg basketball squad has managed to put a spark into the name and game of basketball that had long since been forgotten by most 'berg fans.

The team's diligent efforts have been rewarded with what has turned out to be the first winning basketball season for Heidelberg in the past seven years.

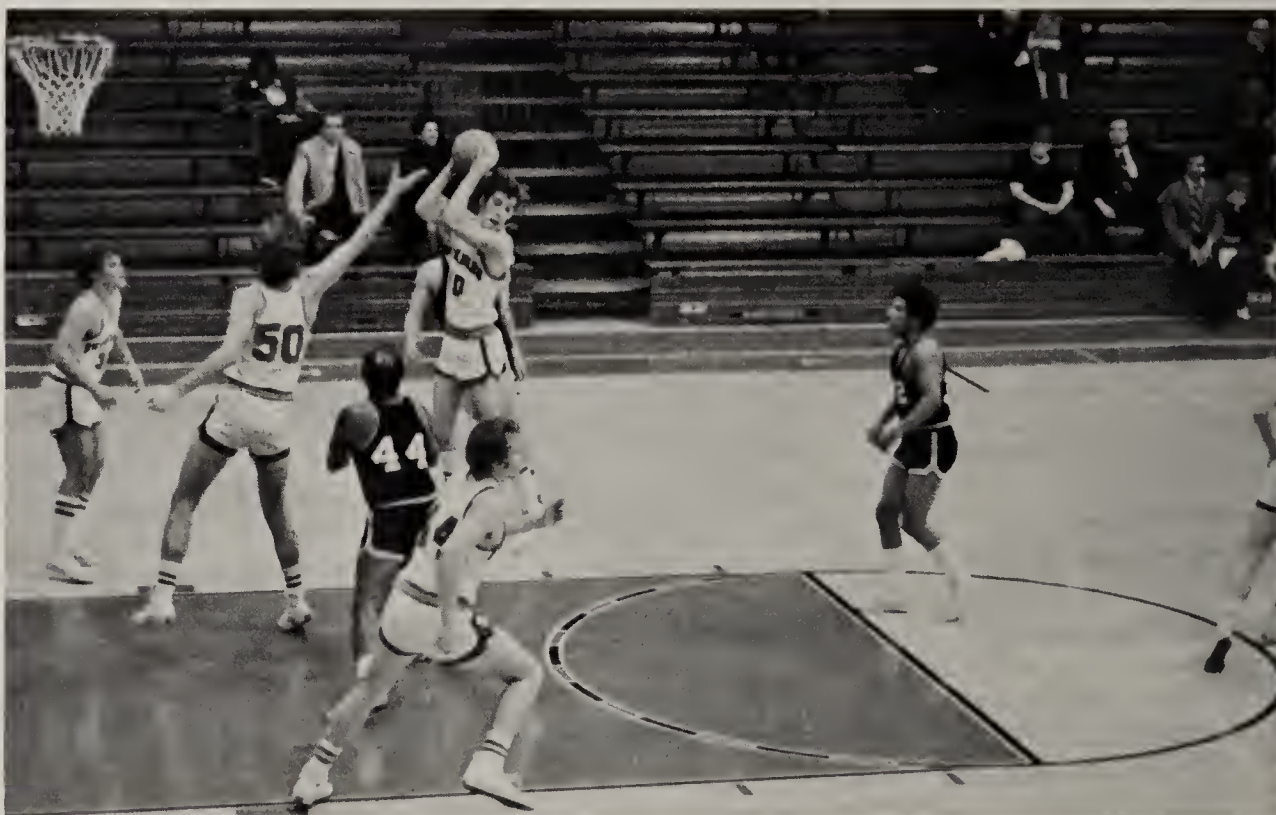

The fans hung perilously on the edge of their bleacher seats as the Student Princes, serious contenders in the Ohio Athletic Conference (OAC) race, were downed by the slightest margins in their last few dual season games.

At the deadline for this publication the final outcome of the OAC tourney is not yet predictable.

But in any case the 'berg Student Princes have proven themselves worthy opponents on the court.

Thus far in the season junior captain Mark Chrislip of Seville has been the consistent scoring leader for the Princes with an average of nearly 14 points per game.

He has been most closely followed by Dave Wirick who also leads the team in rebounds.

For my people standing staring trying to

from hypocrisy and misunderstanding, trying to fashion a world that will
hold all the people, all the faces . . .

Let a new earth rise. Let another world be born . . .
. . . Let a people loving freedom come to growth.
Let a beauty full of healing and a strength

This year the society consisted of 45 members contributing to the success of their Open House entitled "Pullin' Through With Miracles."

"Beatle Mania Blues" was their theme in this year's Inter-society Sing in which the Delts presented a revival of the best of the Beatles' songs.

Green and gold, the yellow rose, the duck, and "Do Ye Beste" are the symbols connected with the Philalethean Society.

Under the colors of red and green, the men of Excelsior profess the mottos "Let There be Light" and "Ever Upward." This year, they took part in Inter-society Sing and entered a float depicting a German beer garden in the Homecoming parade.

The teacher . . . gives not of his wisdom, but rather of his faith and lovingness. If he is indeed wise, he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind. No man can reveal to you aught but that which already lies half asleep — in the dawning of your knowledge . . . You would know in words that which you have always known in thought. You would touch with your fingers the waked body of your dreams . . . That which is you dwells above the mountain and roves with the wind . . . a thing free . . .

To Heidelberg, our good neighbor,
greetings in your 125th year.

*You can't try and walk down
Two different roads
And look to both of them to bring you home.
You must take your own way
tho' it is the long way
And sometimes you find yourself alone.
I know.
For this all happened once before.*
